PROJECTS

Team Lead, [Horizon](#) January, 2015

Horizon is an interactive visualization of your Twitter account, illuminating your exposure to pressing issues across a variety of categories. We give users a clear look at the type of people they follow, and give personalized recommendations based on their current Horizon.

EMPLOYMENT

Content Services Specialist, [Tempesta Media](#) July, 2013 – July, 2014

Managed platform of 70+ WordPress network, performed platform Quality Assurance, acted as a liaison between business and technology organizations to translate business requirements into technical specifications, performed usability analyses and recommended areas of optimization on the company's service delivery platform.

Website Development Consulting, [DJDeWitt.com](#) January, 2014 - Present

Design and development of websites for various small businesses, such as The Garms Group and Shields Meneley Partners, specializing in WordPress and image design.

EDUCATION

Dev Bootcamp September 2014 – January, 2015

19-week intensive training program for aspiring web developers, specializing in Ruby, Rails, HTML5, CSS, Test Driven Development, Object-Oriented Javascript (AJAX, JQuery), Git and Source Control, Heroku, and Agile Development.

Northwestern University: Weinberg College of Arts and Sciences June, 2013

Bachelor of Arts: Double Major in English Literature and International Studies.

VOLUNTEER ACTIVITIES

Director of Risk Management, Founding Father, [Delta Tau Delta \(DTD\) Fraternity](#) 2011 - 2012

For a chapter of 68 brothers, developed a Risk Management strategy for every DTD event, facilitated alcoholism and sexual abuse awareness seminars and tests, and monitored all DTD events for infractions. Also was the first Founding Father and helped our National Team facilitate a recruitment that resulted in one of the fast-growing colonies in Delta Tau Delta history.
